Banque Pâris Bertrand Sturdza SA on board SWIFT through Sterci Service Bureau

Sibos - Sterci, the leading international software provider of STP solutions, today announced that **Banque Pâris Bertrand Sturdza SA** is live on SWIFT through its Service Bureau.

Banque Pâris Bertrand Sturdza SA is a new Swiss Bank duly approved by the Swiss Regulator FINMA in April 2009. In an economic climate of greater uncertainty and complexity, Banque Pâris Bertrand Sturdza SA has one business: private banking, and serves a single goal: to protect and build wealth for its clients.

The solution is based on the Sterci Service Bureau SSB that provides indirect connectivity to the SWIFT network. The bank also uses the service bureau to access to the SIX clearing services in Swiss Francs with the SIC and in Euro via EuroSIC infrastructure. The project was completed within 8 weeks, Sterci has also provided assistance for the administrative paperwork registration with SWIFT and SIX.
